Claim It Texas website connects owners with unclaimed property

According to the Texas Comptroller of Public Accounts, TDCJ employees have more than \$242,000 in missing money waiting for them. It's never too late to claim your rightful property and the Comptroller's Claim It Texas search engine makes it easy to find out if the state is holding property in your name.

A quick search of the Comptroller's unclaimed property database can tell if you are owed money from forgotten bank accounts, uncashed checks, refunds or other sources. To learn more about unclaimed properties held by the state, go to ClaimItTexas.org or call 800-654-3463 from 8 a.m. to 5 p.m., Monday through Friday. Last year, the state returned more than \$200 million to its rightful owners. ●
